Note 1. Significant Accounting Policies

Purpose of the Organization - Communist Party of Canada

The Communist Party of Canada strives to unite within its ranks all those who defend and advance the interests of the working class in Canada and who aspire for a socialist future. The CPC participates in federal elections, and is active in a wide range of extra parliamentary activities across Canada on a consistent and ongoing basis.

2. Revenue Recognition

Donations to the Communist Party of Canada are recognized as income on a cash basis.

3. Donated Services

The work of the Communist Party of Canada is dependent on the voluntary services of members of the Party. Since these services are not normally purchased by the Party and because of the difficulty of determining their fair market value, donated services are not recognized in these statements.

**To the Chief Electoral Officer, Elections Canada**

At the request of the Federal Liberal Agency of Canada, we have audited its Financial Transactions Return prepared in accordance with Section 424(2)(a), (b), (c), (c.1), (d), (e), (f)(i) and (ii), (h), (i), (j) and (k) of the Canada Elections Act (the "Act") for the year ended December 31, 2002. This financial information is the responsibility of the management of the Federal Liberal Agency of Canada. Our responsibility, in accordance with Section 426(1) of the Act, is to express an opinion on this financial information based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial information is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial information. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial information.

In common with many not-for-profit organizations, the Liberal Party of Canada, through the Federal Liberal Agency of Canada, derives contributions the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts received by the Agency and we were not able to determine whether any adjustments might be required to the amount of contributions reported.

In our opinion, except for the effect of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of the contributions referred to in the preceding paragraph, this financial information presents fairly, in all material respects, the contributions received and financial information required to be reported under the Act for the year ended December 31, 2002 in accordance with the provisions of Sections 424(2)(a), (b), (c), (c.1), (d), (e), (f)(i) and (ii), (h), (i), (j) and (k) of the Act.

## Rapport des vérificateurs sur le relevé des opérations financières

### Au Directeur général des élections, Élections Canada

À la demande de l'Agence libérale fédérale du Canada, nous avons vérifié le relevé des opérations financières préparé conformément aux alinéas et sous-alinéas a), b), c), c.1), d), e), f)(i) et (ii), h), i), j) et k) du paragraphe 424(2) de la Loi électorale du Canada (la « loi ») pour l'exercice terminé le 31 décembre 2002. La responsabilité de cette information financière incombe à la direction de l'Agence libérale fédérale du Canada. Notre responsabilité, conformément au paragraphe 426(1) de la loi, consiste à exprimer une opinion sur cette information financière en nous fondant sur notre vérification.

À l'exception de ce qui est mentionné dans le paragraphe suivant, notre vérification a été effectuée conformément aux normes de vérification généralement reconnues du Canada. Ces normes exigent que la vérification soit planifiée et exécutée de manière à fournir l'assurance raisonnable que l'information financière est exempte d'inexactitudes importantes. La vérification comprend le contrôle par sondages des éléments probants à l'appui des montants et des autres éléments d'information fournis dans l'information financière. Elle comprend également l'évaluation des principes comptables suivis et des estimations importantes faites par la direction, ainsi qu'une appréciation de la présentation d'ensemble de l'information financière.

Comme c'est le cas dans de nombreux organismes sans but lucratif, le Parti libéral du Canada, par l'entremise de l'Agence libérale fédérale du Canada, tire des contributions dont il n'est pas possible de vérifier l'intégralité de façon satisfaisante. Par conséquent, notre vérification de ces produits s'est limitée aux sommes reçues par l'Agence et nous n'avons pu déterminer si des redressements auraient dû être apportés au montant des contributions présentées.

À notre avis, à l'exception de l'effet des redressements que nous aurions pu juger nécessaires si nous avions été en mesure de vérifier l'intégralité des contributions mentionnées au paragraphe précédent, cette information financière donne, à tous les égards importants, une image fidèle des contributions reçues et de l'information financière devant être présentée en vertu de la loi pour l'exercice terminé le 31 décembre 2002 conformément aux alinéas et sous-alinéas a), b), c), c.1), d), e), f)(i) et (ii), h), i), j) et k) du paragraphe 424(2) de la loi.

## Auditors' Report

**To the Board of Directors of The Federal Liberal Agency of Canada, Chief Agent for the Liberal Party of Canada**

We have audited the statement of financial position of **The Federal Liberal Agency of Canada** as at December 31, 2002 and the statements of operations, changes in net assets (liabilities) and cash flows for the year then ended. These financial statements are the responsibility of the Agency's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In common with many not-for-profit organizations, the Agency derives revenue from contributions and other sources, the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Agency and we were not able to determine whether any adjustments might be necessary to revenue, constituency and other party organizations' share of contributions, excess of revenue (expense) for the year, assets and net assets (liabilities).

In our opinion, except for the effects of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of contributions and other revenue referred to in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the Agency as at December 31, 2002 and the results of its operations, changes in net assets and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

## 1 Significant accounting policies

### Basis of presentation

The Liberal Party of Canada is a federation composed of the following provincial and territorial associations:

- Liberal Party of Newfoundland and Labrador;
- Liberal Party of Prince Edward Island;
- Nova Scotia Liberal Party;
- New Brunswick Liberal Association;
- Liberal Party of Canada (Quebec);
- Liberal Party of Canada (Ontario);
- Liberal Party in Manitoba;
- Saskatchewan Liberal Association;
- Liberal Party of Canada in Alberta;
- Liberal Party of Canada in British Columbia;
- Yukon Liberal Association;
- Northwest Territories Liberal Association; and
- Nunavut Liberal Association

The provincial and territorial associations and their constituency associations (the "Associations") operate independently of the Agency although all contributions received by them are remitted to the Agency who issues receipts for donations. In accordance with agreements with each Association, a portion of the contributions are returned to them. Consequently, the financial statements disclose the gross amount of contributions received nationally with the amounts returned to the Associations shown as a deduction from gross revenue. The Agency also makes operating support payments, as required, to these Associations which are recorded as an expense of the Agency.

The Agency also receipts donations for the Judy LaMarsh Fund (the "Fund"), a separate corporation, and the Aboriginal Electoral Endowment Trust (the "Trust"), a legal trust. The financial statements include these donations as contributions and the amounts returned to the Fund and the Trust are included in constituency, provincial and territorial Associations' share of contributions.

These financial statements reflect the activities of the Federal Liberal Agency of Canada (the "Agency"), a company incorporated under the Laws of Canada. The Agency is the Chief Agent for the Liberal Party of Canada (the "Party") and as such is responsible for issuing receipts for donations received at all levels of the Party and for fulfilling the legal responsibilities of the Party as required by the Canada Elections Act.

The Agency accounts for only those expenditures incurred by the National Office of the Party, including transfers to the associations of the Party.

## Revenue recognition

Contributions and participant fees for the biennial convention are generally recognized as revenue when received by the Agency or Associations.

Contributed materials and services, except volunteer labour, are recorded at fair value. Except where required by the Canada Elections Act, the value of volunteer labour is not recorded in the financial statements.

## Capital assets

Capital assets are recorded at cost and are depreciated, over their estimated service lives, on a straight-line basis as follows:

|                        |         |
|------------------------|---------|
| Print shop equipment   | 5 years |
| Furniture and fixtures | 5 years |
| Computer equipment     | 3 years |
| Leasehold improvements | 5 years |

## Use of estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from these estimates.

## 3 Demand bank loans

The demand bank loans are held by the six Canadian chartered banks at interest rates reflecting the banks' prime rate.

## 4 Lease commitments

The future minimum lease payments under operating leases for premises and office equipment are as follows:

|                          |      |           |
|--------------------------|------|-----------|
| Year ending December 31, | 2003 | \$ 89,300 |
|                          | 2004 | 87,100    |
|                          | 2005 | 86,100    |
|                          | 2006 | 86,100    |
|                          | 2007 | 21,500    |

## 5 Financial instruments

Financial instruments recognized in the balance sheet consist of cash, accounts receivable, accounts payable and accrued liabilities and demand bank loans. It is management's opinion that the Agency is not exposed to significant credit risks arising from these financial instruments. Management also believes the carrying value of these instruments approximates their fair values due to their short term to majority and the prime interest rate on the demand loans.

## 7 Subsequent event

On June 12, 2003, the House of Commons passed Bill C-24 amending the Canada Elections Act and on June 19, 2003, the Bill was passed by the Senate of Canada. It is expected that Royal Assent will be granted shortly with an expected implementation date of January 1, 2004. Bill C-24 will prohibit political parties from accepting political contributions from non-individuals and replace it with an annual government subsidy of \$1.75 per vote based on the most recent federal general election. Additionally, the Bill increases the rebate to political parties for eligible general election expenditures from 22.5% to 60% for the next general election and to 50% thereafter.

Management is reviewing the financial implications of the bill on The Federal Liberal Agency of Canada and the members of the federation of the Liberal Party of Canada. Consequently, at this time, Management is unable to determine the financial impact of the effect of Bill C-24 on the future financial results of The Federal Liberal Agency of Canada.

## Rapport des vérificateurs

**Au conseil d'administration de l'Agence libérale fédérale du Canada,  
agent principal du Parti libéral du Canada**

Nous avons vérifié le bilan de l'Agence libérale fédérale du Canada au 31 décembre 2002 ainsi que les états des résultats, de l'évolution de l'actif (du passif) net et des flux de trésorerie pour l'exercice terminé à cette date. La responsabilité de ces états financiers incombe à la direction de l'Agence. Notre responsabilité consiste à exprimer une opinion sur ces états financiers en nous fondant sur notre vérification.

À l'exception de ce qui est mentionné dans le paragraphe suivant, notre vérification a été effectuée conformément aux normes de vérification généralement reconnues du Canada. Ces normes exigent que la vérification soit planifiée et exécutée de manière à fournir l'assurance raisonnable que les états financiers sont exempts d'inexactitudes importantes. La vérification comprend le contrôle par sondages des éléments probants à l'appui des montants et des autres éléments d'information fournis dans les états financiers. Elle comprend également l'évaluation des principes comptables suivis et des estimations importantes faites par la direction, ainsi qu'une appréciation de la présentation d'ensemble des états financiers.

Comme c'est le cas dans de nombreux organismes sans but lucratif, l'Agence tire des revenus de dons et d'autres sources dont il n'est pas possible de vérifier l'intégralité de façon satisfaisante. Par conséquent, notre vérification de ces revenus s'est limitée aux montants comptabilisés dans les comptes de l'Agence et nous n'avons pu déterminer si des redressements auraient dû être apportés au montant des revenus, de la part des dons des circonscriptions et des autres associations du Parti, de l'excédent des revenus pour l'exercice, de l'actif et des surplus.

À notre avis, à l'exception de l'effet des éventuels redressements que nous aurions pu juger nécessaires si nous avions été en mesure de vérifier si les dons et les autres revenus mentionnés dans le paragraphe précédent ont tous été comptabilisés, ces états financiers donnent, à tous les égards importants, une image fidèle de la situation financière de l'Agence au 31 décembre 2002 ainsi que des résultats de son exploitation, de l'évolution de son actif (passif) net et de ses flux de trésorerie pour l'exercice terminé à cette date selon les principes comptables généralement reconnus du Canada.

## 1 Principales conventions comptables

### Mode de présentation

Le Parti libéral du Canada est une fédération constituée des associations provinciales et territoriales suivantes :

- Le Parti libéral de Terre-Neuve et du Labrador
- Le Parti libéral de l'Île-du-Prince-Édouard
- Le Parti libéral de la Nouvelle-Écosse
- L'Association libérale du Nouveau-Brunswick
- Le Parti libéral du Canada (Québec)
- Le Parti libéral du Canada (Ontario)
- Le Parti libéral au Manitoba
- L'Association libérale de la Saskatchewan
- Le Parti libéral du Canada en Alberta
- Le Parti libéral du Canada en Colombie-Britannique
- L'Association libérale du Yukon
- L'Association libérale des Territoires du Nord-Ouest
- L'Association libérale du Nunavut

Les associations provinciales et territoriales et leurs associations de circonscription respectives (les « associations ») fonctionnent indépendamment de l'Agence, bien qu'elles remettent toutes les contributions qu'elles reçoivent à l'Agence, qui délivre les reçus de contributions. Aux termes des ententes conclues avec chaque association, une partie des contributions lui est remise. Par conséquent, le montant brut des contributions reçues à l'échelle nationale est présenté dans les états financiers, et les montants remis aux associations sont déduits du produit brut. De plus, l'Agence verse aux associations, au besoin, des paiements de soutien de fonctionnement, qu'elle comptabilise à titre de charge.

L'Agence reçoit également des dons destinés au Fonds Judy LaMarsh (le « Fonds »), société distincte, ainsi qu'à la Fondation électorale autochtone (la « Fondation »), fiducie dûment constituée. Ces dons sont constatés comme contributions dans les états financiers et les sommes remises au Fonds et à la Fondation sont incluses dans le poste « Part des contributions des associations de circonscription et des associations provinciales et territoriales ».

Ces états financiers rendent compte des activités de l'Agence libérale fédérale du Canada (l'« Agence »), société constituée en vertu des lois du Canada. L'Agence est l'agent principal du Parti libéral du Canada (le « Parti ») et, à ce titre, il lui incombe de délivrer les reçus pour toutes les contributions reçues par le Parti et de satisfaire aux obligations juridiques du Parti, qui sont prescrites aux termes de la *Loi électorale du Canada*.

L'Agence ne comptabilise que les dépenses engagées par le bureau national du Parti, y compris les transferts aux associations du Parti.

## Constatation des produits

Les contributions et les frais de participation au congrès biennal sont habituellement comptabilisés à titre de produits au moment où ils sont reçus par l'Agence ou ses associations.

Les contributions reçues sous forme de fournitures et de services, à l'exception du travail bénévole, sont constatées à la juste valeur. Sauf lorsqu'il est requis aux termes de la *Loi électorale du Canada*, la valeur du travail bénévole n'est pas constatée dans les états financiers.

## Immobilisations

Les immobilisations sont inscrites au coût et amorties selon la méthode linéaire sur leur durée de vie utile estimative comme suit :

|                         |       |
|-------------------------|-------|
| Matériel d'imprimerie   | 5 ans |
| Mobilier et agencements | 5 ans |
| Matériel informatique   | 3 ans |
| Améliorations locatives | 5 ans |

## Utilisation d'estimations

La préparation des états financiers conformément aux principes comptables généralement reconnus du Canada exige que la direction procède à des estimations et formule des hypothèses qui influent sur les montants constatés du passif et de l'actif ainsi que sur la présentation des éléments d'actif et de passif éventuels aux dates des états financiers et sur les produits et les charges constatés pour les exercices visés. Les résultats réels pourraient différer de ces estimations.

## 5 Instruments financiers

Les instruments financiers présentés dans le bilan comprennent les espèces, les comptes débiteurs, les comptes créditeurs et les charges à payer et les emprunts bancaires à vue. La direction est d'avis que l'Agence n'est pas exposée à des risques de crédit importants découlant de ces instruments financiers. La direction croit aussi que la valeur comptable de ces instruments se rapproche de la juste valeur étant donné la courte durée à l'échéance et le taux préférentiel sur les emprunts bancaires à vue.

## 7 Événement postérieur à la date du bilan (sans vérification)

Le 12 juin 2003, la Chambre des communes a adopté le projet de loi C-24 modifiant la Loi électorale du Canada et, le 19 juin 2003, le projet de loi a été adopté par le Sénat canadien. Le projet de loi doit recevoir la sanction royale sous peu et il devrait être effectif le 1<sup>er</sup> janvier 2004. Le projet de loi C-24 vise notamment à interdire aux partis politiques d'accepter des contributions politiques de personnes qui ne sont pas des particuliers et remplacer ces contributions par une subvention publique annuelle de 1,75 \$ par vote selon les résultats de la plus récente élection fédérale. De plus, le projet de loi augmente le remboursement fait aux partis politiques des dépenses électorales générales admissibles, lequel passe d'un taux de 22,5 % à celui de 60 % aux prochaines élections, et à celui de 50 % par la suite.

La direction étudie les incidences financière du projet de loi sur l'Agence libérale du Canada et les membres de la fédération du Parti libéral du Canada. Par conséquent, la direction n'est pas en mesure pour l'instant de déterminer l'incidence financière exacte du projet de loi C-24 sur les résultats financiers futurs de l'Agence libérale fédérale du Canada.

## RAPPORT DU VÉRIFICATEUR

À la Direction du Financement des Élections  
ÉLECTIONS CANADA

J'ai vérifié le rapport financier du **PARTI MARIJUANA / MARIJUANA PARTY**, exigé en vertu de l'article 424 de la Loi électorale du Canada, pour l'exercice terminé le 31 décembre 2002. La responsabilité de l'information financière contenue dans ce rapport financier incombe à l'agent principal du parti. Ma responsabilité consiste à exprimer une opinion sur ce rapport financier en me fondant sur ma vérification.

À l'exception de ce qui est mentionné dans le paragraphe ci-dessous, ma vérification a été effectuée conformément aux normes de vérification généralement reconnues du Canada, et était destinée à me permettre d'exprimer une opinion conformément au paragraphe 426(1) de la Loi électorale du Canada. Ces normes exigent que la vérification soit planifiée et exécutée de manière à fournir l'assurance raisonnable que le rapport financier est exempt d'inexactitudes importantes. La vérification comprend le contrôle par sondages des éléments probants à l'appui des montants et des autres éléments d'information fournis dans le rapport financier. Elle comprend également l'évaluation des principes comptables suivis et des estimations importantes faites par l'agent principal du parti, ainsi qu'une appréciation de la présentation d'ensemble du rapport financier.

Comme c'est le cas dans de nombreux organismes sans but lucratif, le parti tire une fraction importante de ses produits de contributions pour lesquelles il n'est pas possible de vérifier de façon satisfaisante si elles ont toutes été comptabilisées. Par conséquent, ma vérification de ces produits s'est limitée aux montants comptabilisés dans les livres du parti et je n'ai pas pu déterminer si certains redressements auraient dû être apportés aux montants des contributions reçues, de l'excédent des produits sur les charges, de l'actif ou de l'actif net.

A mon avis, à l'exception de l'effet des éventuels redressements que j'aurais pu juger nécessaires si j'avais été en mesure de vérifier si les contributions mentionnées au paragraphe précédent ont toutes été comptabilisées, ce rapport financier donne, à tous les égards importants, une image fidèle de la situation financière du **PARTI MARIJUANA / MARIJUANA PARTY** au 31 décembre 2002 ainsi que des résultats de son exploitation pour l'exercice terminé le 31 décembre 2002 selon les principes comptables généralement reconnus du Canada.

Aggregate non-monetary contributions of \$200 or less will be reported by total amounts and by class of contributor in the line "Total amount of non-monetary contributions of \$200 or less."

Contribution of goods or services, with a commercial value of \$200 or less, by a person who is not in the business of providing those goods or services has a commercial value deemed to be NIL.

If the contributor is a numbered company, you must also provide the name of the chief executive officer or president of that company.

2. Enter the contributor's address and postal code.

3. Enter the commercial value of the contribution under the appropriate class of contributor.

Continue the above process until all non-monetary contributors whose aggregate contributions exceed \$200 have been listed. It is important that all non-monetary contributions from the same contributor be aggregated and listed as one contribution on each line.

4. On the last page of Part 5, on the line "B" enter the total amount of all non-monetary contributions from persons or organizations who are in the business of providing such property or services with a commercial value of \$200 or less, by class of contributor. Inscrire un seul donateur par ligne. Ne pas indiquer les contributions non monétaires qui totalisent exactement 200 \$.

Les contributions non monétaires dont le total est de 200 \$ ou moins seront divulguées par montant total et par catégorie de donateurs à la ligne « Montant total des contributions non monétaires de 200 \$ ou moins ».

La contribution de biens ou de services dont la valeur commerciale est de 200 \$ ou moins, effectuée par une personne qui n'exploite pas une entreprise qui les fournit, a une valeur commerciale réputée NULLE.

1. Inscrire le nom complet du donateur.

Si le donateur est une société à dénomination numérique, il faut également indiquer le nom de son premier dirigeant ou de son président.

2. Inscrire l'adresse et le code postal du donateur.

4. À la dernière page de la partie 5, à la ligne « B », inscrire, par catégorie de donateurs, le montant total de toutes les contributions non monétaires d'une valeur commerciale de 200 \$ ou moins provenant de personnes ou d'organisations qui exploitent une entreprise fournissant de tels biens et services. Si ce n'est pas possible, il doit la remettre au directeur général des élections, qui la transmettra au receveur général du Canada.

## RAPPORT DU VÉRIFICATEUR

À l'Agent Principal du :  
**PARTI MARIJUANA / MARIJUANA PARTY**

J'ai vérifié le bilan du **PARTI MARIJUANA / MARIJUANA PARTY** au 31 décembre 2002 ainsi que les états des résultats et de l'évolution des actifs nets de l'exercice terminé le 31 décembre 2002. En qualité d'agent principal du parti, c'est à vous qu'incombe la responsabilité de l'information financière contenue dans ces états financiers. Ma responsabilité consiste à exprimer une opinion sur ces états financiers en me fondant sur ma vérification.

À l'exception de ce qui est mentionné dans le paragraphe ci-dessous, ma vérification a été effectuée conformément aux normes de vérification généralement reconnues du Canada. Ces normes exigent que la vérification soit planifiée et exécutée de manière à fournir l'assurance raisonnable que les états financiers sont exempts d'inexactitudes importantes. La vérification comprend le contrôle par sondages des éléments probants à l'appui des montants et des autres éléments d'information fournis dans les états financiers. Elle comprend également l'évaluation des principes comptables suivis et des estimations importantes faites par l'agent principal du parti, ainsi qu'une appréciation de la présentation d'ensemble des états financiers.

Comme c'est le cas dans de nombreux organismes sans but lucratif, le parti tire une fraction importante de ses produits de contributions pour lesquelles il n'est pas possible de vérifier de façon satisfaisante si elles ont toutes été comptabilisées. Par conséquent, ma vérification de ces produits s'est limitée aux montants comptabilisés dans les livres du parti et je n'ai pas pu déterminer si certains redressements auraient dû être apportés aux montants des contributions reçues, de l'excédent des produits sur les charges, de l'actif ou de l'actif net.

À mon avis, à l'exception de l'effet des éventuels redressements que j'aurais pu juger nécessaires si j'avais été en mesure de vérifier si les contributions mentionnées au paragraphe précédent ont toutes été comptabilisées, ces états financiers donnent, à tous les égards importants, une image fidèle de la situation financière du **PARTI MARIJUANA / MARIJUANA PARTY** au 31 décembre 2002 ainsi que des résultats de son exploitation pour l'exercice terminé le 31 décembre 2002 selon les principes comptables généralement reconnus du Canada.

## **1. ENREGISTREMENT ET OBJET DU PARTI**

Le parti a obtenu le statut de parti politique enregistré le 6 novembre 2000 et a comme objet d'obtenir la légalisation de la marijuana.

## **2. CONVENTIONS COMPTABLES**

Les états financiers ont été dressés selon les principes comptables généralement reconnus du Canada et tiennent compte des principales conventions comptables suivantes :

### **Constatation des produits**

Les contributions sont considérées comme ayant été reçues au cours de l'année pour laquelle un reçu a été émis. Les autres produits sont considérés sur une base d'exercice.

### **Apports reçus sous forme de services**

Les bénévoles sont des ressources humaines qui aident le parti à assurer la prestation de ses services. Étant donné qu'il est difficile de déterminer la juste valeur des apports reçus sous forme de services, ceux-ci ne sont pas constatés dans les états financiers.

## **3. FLUX DE TRÉSORERIE**

L'état des flux de trésorerie n'est pas présenté car il n'apporterait pas de renseignements supplémentaires utiles pour la compréhension des flux de trésorerie de l'exercice.
